

REGIONAL QUALITY CONCLAVE ON EXCELLENCE THROUGH SMART MANUFACTURING

31 July 2019, Hotel Taj, Chandigarh

PROGRAM

09:00-10:00 hrs.	Registration & Tea
10:00 – 11:00 hrs. <i>Inaugural Session</i>	<p>Moderator: Dr. Jatinder Singh, Director, PHD Chamber Welcome Address: Mr. C. K. Biswas, CEO, National Board for Quality Promotion, QCI Address: Mr. R S Sachdeva, Chairman, Punjab Chapter Address by Guest of Honor: Mr. Yash Garg, IAS, Director, Department of Industries & Commerce, Government of Haryana Address by Chief Guest: Ms. Vini Mahajan, ACS, Department of Industries & Commerce, Government of Punjab Vote of Thanks: Mr. Pranav Gupta, Chairman, Haryana State Chapter</p>
11:00 – 12:00 hrs. Theme: Smart Manufacturing & Industry 4.0	<p>Discussion Agenda: Industry 4.0 is the convergence of the cyber-physical systems which is a shift from linear operations to an interconnected system with holistic integration through the entire value chain. Smart factory represents a transition from traditional automation to a connected system of data and production systems. Areas as advanced planning, scheduling using real-time production and inventory data are some of the features of smart factory with multiple facets that manufacturers can leverage to remain competitive in the global marketplace.</p> <p>Moderator Mr. Upinder Singh Dhingra, Manager, Advisory Services, Ernst Young LLP</p> <p>Speakers Mr. Abhishek Goyal, Vice President IOT, Infosys ZED Rated MSME- Mr. Sanjeev Singh, MD, Gilard Electronics Pvt. Ltd. Mohali, Punjab Mr. Amish Lakhani*, Project Leader – Industry 4.0, Bosch Rexroth</p>

12:00 hrs -12.15 hrs	<p>NABCB Ms Sona Sinha Sharma, presentation on “Risk of Unauthentic Certification in Manufacturing”</p>
12:15 – 12:30 hrs.	<p>Networking Tea</p>
<p>12:30– 13:45 hrs. Theme: Quality Culture to enhance performance</p>	<p>Pvt. Ltd. Progressive organizations continuously improve the competence of their personnel and the quality of their products & Services to stay ahead in an increasingly competitive business world. The foundation of any quality improvement is developing a quality culture that not only triggers enhancement in the quality of goods and services of the organization but also creates an ecosystem of structured skilling of its personnel. Quality culture starts with leadership that recognizes this need for continuous improvement in its processes and personnel and proactively brings about this positive change in the system.</p> <p>Speakers</p> <p>Dr. Manish Kumar Jindal- CEO, National Accreditation Board for Education and Training (NABET) Mr. Vinod Sharma, Managing Director, Deki Electronics Limited Mr. Virat Dhebar, Assistant Vice President – Academy, TÜV SÜD South Asia Mr. Vikas Chhabra, Director, Aman Skills Programming Society Mr. Somenath Ghosh, Asst. Director, Indian Institute of Welding Dr. Indrajit Bhattacharya- Director, National Accreditation Board for Education and Training (NABET) Ms. Samira Saluja, Executive Director, Oriental Engineering Works Pvt. Ltd</p>
13:45 – 14:30 hrs.	<p>Networking Lunch</p>
<p>14:30 – 15:30 hrs. Theme: Predictive & Preventive Maintenance</p>	<p>Organizations need strategies to maintain plant assets and increase their life spans. Strong maintenance plans in place keep plant operations running smoothly. With increasing industrial demands to get more output and decrease operating costs, investing in predictive maintenance and condition monitoring tools is the mainstay. Predictive and Preventive Maintenance provides a framework to take correct decisions for predicting the deterioration of devices and steps needed to restore the inherent reliability of a device. Appropriate balance of maintenance approaches is a key to minimize asset downtime and repair costs while maintaining safe environment for workers.</p> <p>Moderator</p> <p>Col. Rajiv Bhargav (Retd.)*, Associate Director, Munjal Institute of Global Manufacturing Indian School of Business</p> <p>Speakers</p> <p>Mr. Ashwani Sharma , DGM Engineering – Max Specialty Films Limited Mr. Sudhir Gupta*, GM, Manufacturing, Claas India Mr. Pankaj Gautam, Managing Director, Graepel Perforations India Pvt.
